A Letter from the Peel Agricultural Society

Dear Exhibitors,

On behalf of the Board of Directors of the Peel Agricultural Society, we are pleased to welcome you to the 2026 Brampton Fall Fair Livestock Competition.

For more than 170 years, the Peel Agricultural Society has been dedicated to promoting agriculture, educating our community, and preserving our agricultural heritage. This year's fair theme, "Hometown to Downtown," celebrates the transformation of our community from its rich agricultural roots into the diverse and thriving city it is today. While our community has changed over the years, agriculture remains at the heart of our fair, and we are proud to continue showcasing the outstanding livestock and agricultural achievements of our exhibitors.

Whether you are a long-time competitor or exhibiting for the first time, we invite you to be part of this long-standing tradition. The Livestock Prize Book outlines the classes, rules, and information needed to participate in this year's Dairy, Sheep, and Hay & Grain competitions. We encourage everyone to review the prize list carefully and join us in celebrating excellence in agriculture.

The success of our livestock shows would not be possible without the dedication of our volunteers, judges, superintendents, sponsors, and the many individuals who work behind the scenes throughout the year. Their commitment helps ensure that our agricultural competitions continue to provide meaningful opportunities for exhibitors of all ages.

Most importantly, thank you to our exhibitors. Your passion, hard work, and commitment to agriculture are what make the Brampton Fall Fair a valued tradition and an important opportunity to educate our community about Ontario agriculture.

We welcome your feedback and suggestions as we continue to grow and improve our livestock program. Together, we can ensure that the Brampton Fall Fair remains a place where agricultural excellence is celebrated for generations to come.

Thank you for your continued support, and we look forward to seeing you at the 2026 Brampton Fall Fair.

Sincerely,

The Board of Directors
Peel Agricultural Society

- An exhibit shall be interpreted as follows: All purebred registered animals, whether owned by one person or jointly by two or more persons, that are maintained on one farm or breeding unit shall be considered the production of that farm or breeding unit.
- For the purposes of these classifications, where the same or common interests exist in more than one breeding operation, those operations shall be considered one breeding unit. Where there is any doubt as to whether more than one breeding unit exists, the interpretation shall be that only one breeding unit exists.
